In re-reading my e-mail to you, I see an error. There are 21 Assembly Judiciary Committee members in total. The indicated "19 other members of the Assembly Judiciary Committee", in addition to Chair Lavine, should have read 20. So now you've know – and here's the link to [Assembly Rule 4, §1\(a\)](#) specifying the 21-member composition of the Committee.

Dear Emma,

Absolutely, yes! I am available, 24-7. Call me whenever convenient, however early or late. This [fully-documented, easy-to-verify story](#), will win you – and Bloomberg – every prize there is to win – and clean up NY's flagrantly corrupted governance, once and for all.

Thank you.

Hi Elena,

Thanks so much for reaching out — I had not heard about this. Can I call you tomorrow morning?
