Subject: THANK YOU! -- BEHIND-THE-SCENES: Establishing that Davis Polk & the 21 Assembly Judiciary Committee members ALREADY have the answer to "whether evidence exists" for Gov Cuomo's impeachment -- & that no further \$ need be spent

Dear Emma,

Thank you for your phone call – and the generous amount of time you gave to my discussion of the background leading up to my below May 25th e-mail to the 21 Assembly Judiciary Committee members – also sent to most of their legislative directors/chiefs of staff.

The starting place, however, is finding out what the 21 Assembly Judiciary Committee members each did upon receipt of my May 25th e-mail about Davis Polk's breach of its contract, arising from its conflicts of interest – particularly those members who, [at the March 23rd meeting about which you wrote](#), publicly purported to be so greatly concerned about "conflicts of interest" and everything being "on the table". Was the May 25th e-mail on the agenda of the Committee's May 26th executive session, as I had requested? And what were Davis Polk's answers?

If you have not read the [June 4, 2020 grand jury/public corruption complaint to D.A. Soares](#) laying out what the legislators have been doing, in collusion with Governor Cuomo, Attorney General James, etc., with its substantiating [EVIDENTIARY WEBPAGE](#) – furnished to Davis Polk on April 7th by my below e-mail and embodying the above March 18, 2020 letter to Governor Cuomo about the unconstitutionality of BOTH his stuffing of policy into the budget AND his "three-men-in-a-room" budget deal-making – BOTH features of his insertion of the hospital/nursing home immunity provision into the FY2020-21 budget -- it is ESSENTIAL that you do so. Indeed, it will be especially EASY now that you have the additional background we discussed – and this should further assist you in questioning both the Assembly members – and Davis Polk.

Thank you, again.

Subject: BEHIND-THE-SCENES: your articles: "Cuomo Impeachment Probe Moving Forward, Hundreds of Tips Roll In" (Bloomberg, May 26, 2021) & "Cuomo's Impeachment Inquiry Accused of Slow-Walking its Probe" (Bloomberg, May 27, 2021)

TO: Emma Kinery/Bloomberg

As propos of your yesterday's article "[Cuomo Impeachment Probe Moving Forward, Hundreds of Tips Roll In](#)" and your today's article "[Cuomo's Impeachment Inquiry Accused of Slow-Walking Its Probe](#)", have any of your sources alerted you to the below May 25th e-mail to Assembly Judiciary Committee Chair Lavine, to the 20 other members of the Assembly

Judiciary Committee, and to Assembly Administrative Counsel entitled: "Emergency Action & Oversight Required: The Assembly's taxpayer-paid counsel, Davis Polk, is in breach of its contract & its publicly-made promises to safeguard vs conflicts of interest in investigating whether Gov. Cuomo committed impeachable acts". It identified that **Davis Polk already has the answer for which it was retained "whether evidence exists to support a finding that the Governor has engaged in conduct which merits impeachment under the New York State Constitution and the laws of the State of New York"**, called for the firm to be fired, *for cause*, and asked that the issue of its breach of contract, born of conflicts of interest, be placed as #1 on the agenda of the Committee's May 26th meeting. Was it? – and what are Davis Polk's answers to its questions?

Please call me about this MAJOR, MAJOR story...

Thank you.
