RE: Your column "["Cuomo has always been corrupt"](#) (Washington Examiner, Aug 8, 2021).

You write "the time has come for decent people of both parties to unite and say that 'enough is enough' to the long-corrupt Cuomo".

However, the corruption the infests New York's governance will NOT end with Cuomo – because NY's other top constitutional officers who are clamoring for his ouster and who would succeed him are themselves corrupt self-dealers. The above-attached June 4, 2020 grand jury/public corruption complaint, whose substantiating EVIDENTIARY webpage is [here](#), gives an overview of the situation, every bit of which has been covered-up by New York's "fake news"/election-rigging press, for years – and which, as reflected by the below August 5, 2021 e-mail, sent to the [entire roster of NY's Legislative Correspondents Association](#), still is.

Will you "blow the whistle" on Cuomo's "who's who" of corrupt co-conspirators, who must be taken out, with him, if New York's governance is to be restored to its constitutional moorings – and the People.

I am available to answer questions – and to assist you to the max with original reporting.
