RE: "Biden violating his campaign pledge, 'politicizing' DOJ to do his bidding, legal experts warn" (FOX News, Sept. 9, 2021), quoting Carrie Severino.

I am director and co-founder of the New York-based national, non-partisan, non-profit citizens' organization, Center for Judicial Accountability, Inc. (CJA) -- & wish to alert Ms. Severino to President Biden's politicization of the DOJ by his 4 U.S. Attorney nominations for New York -- presently before the Senate Judiciary Committee, which is COLLUDING with him. By this I mean not just the Democratic majority, but the Republican minority.

The primary-source, documentary EVIDENCE of what has been going on is posted on CJA's website, www.judgewatch.org, accessible via the top panel "Latest News", by the link entitled: "President Biden's New U.S. Attorneys for NY -- Will they be non-partisan enforcers of the Rule of Law and Equal Justice when doing so will require them to prosecute NY's mostly Democratic top state officers..."

I look forward to speaking with Ms. Severino directly. Until then, please send me an e-mail address to facilitate future communications.

Thank you.
