Dear Mr. Boyle:

This confirms your astonishing behavior toward me when I called you approximately half an hour ago to ascertain whether we would be receiving the information requested in our October 30th letter-fax.

Your reply was that you were not planning to respond to our request. When I inquired as to the name of your superior--which I repeated twice--you breezily stated "it's been good speaking to you" and hung up.

Very truly yours,

ELENA RUTH SASSOWER, Coordinator
Ninth Judicial Committee
