PENSACOLA DIVISION

ALBERTA DAVISON,

Plaintiff,

v.

Case No. 89-30351-RV

THE BOARD OF TRUSTEES OF  
PENSACOLA JUNIOR COLLEGE,  
FLORIDA,

Defendant.

ORDER OF RECUSAL

Currently pending is the motion for recusal filed on behalf of the plaintiff. (Doc. 108) The motion indicates that some past representation of Gulf Power Company by me during my private practice will cause favoritism for the defendant. I am totally unaware of any possible conflict between my prior representation of Gulf Power Company and any issues that may arise in this case. Further, my recusal from any cases in which Gulf Power Company may be a party is on the basis of a small stock investment which requires recusal under Title 28, United States Code, Section 455(b)(4).

Nevertheless, I hereby recuse myself from further proceedings in this case. The Clerk is directed to transfer this file to another Judge of this Court.

DONE AND ORDERED this 28<sup>th</sup> day of February, 1991.
