Subject: Moreland Commission Public hearings

Good Afternoon,

I represent a contingency of nearly 4,000. At last night's hearing, it was announced that there would be another hearing in NYC at The Landmark.

On your site there is no notification of this and I have members who wish to be present and possibly speak on topics of interest to the community and the commission which include the current foreclosure crisis.

Please advise the date, time and if you are limiting the seating, the topics or are the public at large permitted to attend without exception.

Thank you.
