RE: "Skepticism Is A Virtue": "[It] Makes the World ACCOUNTABLE"

Dear Mr. Effron:

Following up my request that you clarify your January 18, 2000 letter, please also clarify whether Steven Brill has reviewed CJA's July 8, 1998 story proposals and the four complaints to Mr. Sulzberger that accompanied them.

If not, please provide them to him, along with our exchange of letters. With all respect, CJA firmly believes that our document-supported story proposals are so important – and so much at the heart of what *Brill's Content* should be about – that their rejection should be by no less than by Mr. Brill himself.

Yours for a quality judiciary
and responsible journalism,

ELENA RUTH SASSOWER, Coordinator
