Subject: **Corrected: CJA's Nov 1st FOIL REQUEST #3: Records of the Commission's efforts to recover the websites of the 2011 Commission on Judicial Compensation & 2018 Committee on Legislative & Executive Compensation**

My yesterday's FOIL request #3, was incorrectly titled in its 2018 reference – which should have been to the "Committee on Legislative & Executive Compensation". Apologies.

Subject: FOIL REQUEST #3: Records of the Commission's efforts to recover the websites of the 2011 Commission on Judicial Compensation & [here-corrected: 2018 Committee on Legislative [...] & Executive Compensation]

TO: 2023 Commission on Legislative, Judicial & Executive Compensation

[My October 12th letter to the Commission, entitled "'History', Your Website -- & Prepping for Tomorrow's Hearing"](#), alerted you that contrary to Chair Fahey's assertions about [the Commission's website](#), it did NOT post "all the prior commission reports, all their hearings, and all their meetings. Most importantly,

- (1) [there is no 2011 side panel](#). Consequently, no 'history' of the 2011 Commission on Judicial Compensation is 'accessible': not its August 29, 2011 report, not its single hearing, not its meetings, and not submissions made to it;
- (2) [the 2018 side panel](#) brings up ONLY a pdf of the December 10, 2018 report of the Committee on Legislative and Executive Compensation. Consequently, no 'history' is 'accessible' concerning that report, as none of the hearings, meetings, and submissions to the committee are posted;
- (3) [the 2019/20 side panel](#) does NOT include the [December 26, 2019 report](#) of the Commission on Legislative, Judicial and Executive Compensation...

Please confirm that you will be retrieving the missing webpages of the 2011 commission and 2018 committee, whose websites were, respectively, www.judicialcompensation.ny.gov and nyscompensation.ny.gov – and putting them on your website.^{fn2"}

I have NOT received the requested confirmation. The ONLY change to the Commission's website has been the addition of the December 26, 2019 report to the [2019/20 side panel](#). Consequently, this is to request, pursuant to FOIL (Public Officers Law, Article VI), publicly-available records reflecting why the

Commission has NOT confirmed that it is “retrieving the missing webpages for the 2011 commission and the 2018 committee” – and the status of its retrieval efforts, if any.

Pursuant to Public Officers Law §89.3, your response is required “within five business days” of your receipt of this request. Please e-mail it to me at elena@judgewatch.org.

Thank you.
