What study has the Institute done of the intersection of the judiciary, politics, and media – **in its own backyard?**   My below October 11th e-mail to WRVO – to which I have received no response – is a perfect case study.

Which local media will investigate and report on would-be Supreme Court Justice Robert Antonacci's record as a state senator – essential to voters making informed decisions as to his fitness for any office of public trust.

Please advise, as soon as possible – as to both questions.

Thank you.
