Subject: TAKING THE LEAD: US Attorney Lynch -- & selective prosecution

TO: Galewyn Massey

Your January 13, 2015 blog: *"What About U.S. Attorney General Designate Loretta Lynch...Possible 'Selective NON- or UNDER-Prosecution' in certain cases..."* correctly states that it is "probably...closer to the truth" that U.S. Attorney Lynch was selectively prosecuting former Congressman Michael Grimm – and that what she did is "not a moot point", but "part of something bigger".

Indeed, our non-partisan, nonprofit citizens' organization, Center for Judicial Accountability, Inc. (CJA), has a mountain of documentary evidence establishing U.S. Attorney Lynch's invidious and selective prosecutions – going after "little fish" and allowing the "big whales" to go free. Demonstrating this, resoundingly, is our fully-documented May 13, 2013 letter/corruption complaint to U.S. Attorney Lynch – entitled *"United States of America v. John Sampson – Deal-making that Advances the Corruption-Fighting Agenda of U.S. Attorney Bharara and Repudiates the Appearance and Reality that Black & Hispanic Legislators are being Invidiously Investigated and Prosecuted"*, which she has been "sitting on", without so much as an acknowledgment.

We have already furnished this jaw-dropping May 13, 2013 letter/corruption complaint to the Senate Judiciary Committee – and to President Obama – by letters dated December 17, 2014 and January 5, 2015 – copies of which we also sent to U.S. Attorney Lynch for response. They are posted on our website, www.judgewidth.org, accessible via the prominent homepage link: "CJA's Citizen Opposition to Senate Confirmation of U.S. Attorney Loretta Lynch as U.S. Attorney General". Here's the direct link: <http://www.judgewidth.org/web-pages/searching-federal/lynch/2014-opposition-lynch-ag.htm>.

I look forward to speaking with you directly and to answering your questions about this politically-explosive and as-yet unreported major news story.

Thank you.
