**Subject:** Excellent, Thank You! -- RE: NEWS TIP: US Attorney Loretta Lynch is covering up more than a secret docket --& so is the Senate Judiciary Committee

However, at issue are NOT “concerns”, but EVIDENCE of Lynch’s corruption as US Attorney – as well as EVIDENCE of the corruption of any appropriate “vetting” by the White House/Justice Dept. & the Senate Judiciary Committee.

Please alert your editors. This is a MAJOR NEWS STORY. Ask them to read my below e-mail to you – and the December 17<sup>th</sup> letter to the Senate Judiciary Committee and January 5<sup>th</sup> letter to President Obama – all substantiated by EVIDENCE, posted on our website, [www.judgewatch.org](http://www.judgewatch.org). Here’s the direct link: <http://www.judgewatch.org/web-pages/searching-federal/lynch/2014-opposition-lynch-ag.htm>.

Feel free to call me, anytime – including at night... I am available.

Thank you, again. I look forward to assisting you to the fullest. As stated by my January 5<sup>th</sup> letter to the President:

“...the press has yet to report to the American People – that the Senate Judiciary Committee’s own vetting is a fiction and its confirmation hearings essentially rigged to ensure confirmation, which it does by excluding opposition testimony from members of the public having dispositive evidence of nominee unfitness, such as corruption and ethics breaches.

At bar, NO Senator can vote for U.S. Attorney Lynch’s confirmation based on the evidence here presented...”

Dear Elena Sassower,

Thanks very much for your message. I apologize for not responding sooner. I am interested in hearing more about the concerns you have raised here and have also heard similar concerns about U.S. Atty. Lynch being weak on corruption. I have a few pressing items on my plate at the moment, but will give you a call as soon as I am able.

Thanks,  
Ryan

Dear Mr. Lovelace,

U.S. Attorney Lynch is covering up more than a secret docket. Have any of your sources – such as Sidney Powell – made you aware of the citizen opposition to her confirmation based on her cover-up of high-level public corruption in New York State – and the corruption of the vetting process, both pre-nomination & post-nomination?

It is the subject of a December 17, 2014 letter to the Senate Judiciary Committee and a January 5, 2015 letter to President Obama from our non-partisan, non-profit citizens' organization, Center for Judicial Accountability, Inc. (CJA) to which there has been no response from them, or from the letters' other recipients, most importantly U.S. Attorney Lynch, whose response was expressly invited.

These two letters – and the coverletters to U.S. Attorney Lynch – are posted on CJA's website, [www.judgewatch.org](http://www.judgewatch.org), accessible *via* the prominent homepage link: "CJA's Citizen Opposition to Senate Confirmation of U.S. Attorney Loretta Lynch as U.S. Attorney General". Here's the direct link: <http://www.judgewatch.org/web-pages/searching-federal/lynch/2014-opposition-lynch-ag.htm>.

This is a MAJOR news story, with the potential to make sweeping good-government reform, in Congress, the Justice Department, and New York State, for starters.

I am available to answer your questions and to be interviewed.

Thank you.
