Non-Individual FOIA Request

Request Information

Pursuant to FOIA, I request the following:

(1) the FBI's manual and/or written rules and procedures for intake, investigation, and tracking of complaints received from members of the public -- such as set forth in the attached Section 200 of the Investigative Manual of the New York City Department of Investigation entitled "Complaint Intake: Opening and Tracking Procedures";

(2) the FBI's manual and/or written rules and procedures specific to public corruption complaints involving a state's highest elected officers and the appointed judges of its highest court, such as requiring their forwarding to the Public Integrity Section of the U.S. Justice Department's Criminal Division and/or to the designated agency ethics officials of the FBI and/or local U.S. Attorney offices for evaluation as to whether local FBI and U.S. Attorney offices should be recused for conflicts of interest (see, inter alia, Public Integrity Section's Annual Report to Congress for 2019: "Recusals by United States Attorneys' Offices" (at pp. 1-2); Justice Manual, Section 1-4.000 "Standards of Conduct");

(3) any records available to me as to the FBI's handling of the FULLY-DOCUMENTED public corruption complaint I filed, via the FBI's website portal, TIPS.FBI.GOV, at 2:38 pm on Friday, October 16, 2020 -- including a copy of that complaint and the tracking number assigned.

Thank you.

Expedite

Expedite Reason

The requested records are germane to a September 3, 2021 complaint against the FBI (& NYS' acting U.S. Attorneys) that I filed with Justice Department Inspector General Michael Horowitz and, on September 10, 2021, also filed with the FBI's designated agency ethics official, Catherine Bruno -- so that they could investigate what has happened to the FULLY-DOCUMENTED public corruption complaint I filed with the FBI on October 16, 2020, without response from the FBI or from NYS' four acting U.S. Attorneys to whom I turned for oversight. You can access these complaints from the website of the Center for Judicial Accountability, Inc., the nonpartisan, nonprofit citizens' organization of which I am director & co-founder. Go to www.judgewatch.org, click on the top panel "Latest News", and then scroll to the link: "Bringing In The Feds...". Upon receipt of the requested records I will furnish them to both Inspector General Horowitz and FBI ethics official Bruno, who is additionally assistant director of the FBI's Office of Integrity and Compliance. Thank you.
