Subject: October 28, 2013 "Public Hearing": CJA's Protest & Request to Testify -- previously sent, via Commission's registration page: Oct. 25th 5pm

CJA's PROTEST & REQUEST TO TESTIFY

On behalf of the public, I protest that the Commission's October 28th "public hearing" is not only "topic limited" to prevent the public from testifying as to the breadth of public corruption within its knowledge and experience, but that it explicitly excludes the public from even testifying as to that limited topic, relegating *We, The People*, to nothing more than spectators who may "attend only".

Should the October 28th hearing, "focus[ed] on Campaign Finance Reform", also encompass the "NYS Board of Elections Investigatory Hearing", briefly announced as the Commission's October 29th hearing at "Lighthouse International" before it evaporated from the Commission's website, I request to be "invited" to testify as to the State Board of Elections' nonfeasance and misfeasance with respect to its vital investigative function, as to which it impedes judicial review by litigation fraud and other misconduct, covered-up by a complicit and corrupt state judiciary. On that subject, see, *inter alia*, Doris L. Sassower's October 24, 1991 letter to Governor Mario Cuomo for appointment of a special prosecutor – accessible from our website, www.judgewatch.org, on a webpage of our correspondence with the first Governor Cuomo. Here it is: <http://www.judgewatch.org/web-pages/searching-nys/searching-gov-mario-cuomo.htm> .

Kindly advise, as soon as possible, if such invitation will be forthcoming so that I may prepare appropriately.

Thank you.
