November 20th, 2013

Dear Ms. Sassower;

Your correspondence dated November 12, 2013 was received on that date.

You have requested all publicly-available records over the past twenty-five years pertaining to:

- (1) Oversight hearings of the State Board of Elections by the Assembly Elections Law Committee
- (2) Testimony by the State Board of Elections about its budget at the Assembly's joint budget hearings

Please be advised that after a thorough search, we were unable to locate any testimony at a joint budget hearing by the Board of Elections. Attached is a list of hearings held by the Assembly Election Law Committee from 1996 through 2005, which includes the page count for the associated transcript and supplementary material.

Please let me know if you are interested in receiving a hard copy of any of the transcripts or if I can assist you in locating the transcripts that are posted on the Assembly website.

Also attached, please find copies of the Assembly Election Law Committee Transcripts from 2009 – 2012 which may be of some interest to you.

I did find a May 4th 1989 hearing by the Committee entitled "Hearing on the Operations of the State Board of Elections," which consists of 204 pages, making the charge for this \$51.00.

Please let me know how you would like to proceed.

Sincerely,
Robin Marilla
