Subject: The answer to your question on conflict of interest -- your today's article: "Tough order to get unanimity in secret"

"How can the trio of leaders issue subpoenas proposed to go to campaign contributors of the co-chairs if they are rendering themselves ineligible on certain probes?"

Following up our brief conversation when I called you on your cell, following up my voice mail message on your office line, call me so that I can tell you how it works...

Thanks.
