that anyone inquiring about transcripts should call the Commission. These conversation are recited at ¶94 of my April 23, 2014 verified complaint in support of my order to show cause to intervene in the Legislature's declaratory judgment action vs the Commission – and Ms. Green is the referred-to “office manager”, therein not identified by name, who stated that someone would be getting back to me. No one ever did. For your convenience, the October 25, 2013 letter, which is Exhibit M, to the proposed verified complaint, is attached.

To further assist you, I will post this e-mail – and its evidentiary substantiation – on a webpage entitled “Assisting U.S. Attorney Bharara Live Up To His Rhetoric”, albeit blacking out names of would-be witnesses who have requested confidentiality. The webpage is part of our collection of webpages entitled “Exposing the Fraud of the Commission to Investigate Public Corruption”, accessible *via* our homepage, [www.judgewatch.org](http://www.judgewatch.org). Here it is directly: <http://www.judgewatch.org/web-pages/searching-nys/commission-to-investigate-public-corruption/holding-to-account/assisting-bharara.htm>

Please let me know when you will be calling me in to give a statement to your investigators under oath – or when you would like me to appear before a grand jury – to furnish testimony as to my direct, first-hand knowledge – and documentary proof – of the Commission's corruption, covering up the corruption of a who's who in New York State government, beginning, at the top, with Governor Cuomo, Attorney General Schneiderman, Comptroller DiNapoli, and the Legislature's Leadership, first and foremost, Temporary Senate President Skelos and Assembly Speaker Silver, all up for re-election.

Thank you.
