Following up our phone conversation moments ago, requesting a meeting with Assembly Speaker Heastie to discuss the legislative, judiciary, and executive budgets, here's the link to CJA's citizen-taxpayer actions, laying out the particulars as to what's been going on with respect to each: <http://www.judgewatch.org/web-pages/searching-nys/budget/menu-budget-reform.htm>.

## Speaker's Meeting Request

**Topic of Meeting: Legislative, Judiciary, & Executive Budgets for FY 2017-2018**

**January 9, 2017 Meeting Request from:**

**Elena Sassower, Director/Center for Judicial Accountability, Inc. (CJA)**

**Region: White Plains, NY**

**Expected Number of Attendees: 1**

### Overview of Meeting:

Review & discussion of the constitutional, statutory, and rule provisions pertaining to the budget – most of which are being violated and so-chronicled by CJA's citizen-taxpayer actions.

<b>Date/Additional Dates</b>	<b>Location</b>	<b>Time/Duration</b>
As soon as possible	Bronx, NYC, Albany --	At least an hour – as there is so much to review & discuss

**Phone:** 914-421-1200

### Other Participants:

I have today made similar meeting requests to Assembly Minority Leader Kolb, Temporary Senate President Flanagan, and Senate Minority Leader Stewart-Cousins. In the interest of economy, I would welcome a meeting at which they – or their representatives – would also be present. Likewise other legislators.

### Specific Outcome Of Meeting :

A budget process that conforms with constitutional, statutory, and rule requirements, thereby safeguarding taxpayer monies.
