Dear Mary,

This is Elena – Carey's sister. Hope you well.

Reported by [The New York Times](#) is that you are one of the lawyers representing Allen Weisselberg.

I have information, backed by rock-solid evidence, that is enormously useful for your defense of Mr. Weisselberg – and for the lawyers representing Mr. Trump and the Trump organization.

Please call me, ASAP, so that I can furnish it to you, for your evaluation – before contacting Mr. Fischetti, who [The Times](#) identifies as representing Mr. Trump.

Thanks.
