Dear Mary,

Thank you for your acknowledgment.

Whether it is you, Investigator Alan Katz, or Timothy Haggerty who you have cc'd, it is imperative that someone call me tomorrow morning, first thing, upon the opening of the firm's offices, so that I can furnish what – *by any standard* – is EVIDENCE mightily benefitting the defense of your client Mr. Weisselberg – and his employers on whose account he is being investigated: Mr. Trump and the Trump Organization.

Of course, I furnish same, voluntarily – just as thereafter I will be furnishing it for Mr. Fischetti, representing Mr. Trump.

Our offices are closed over the weekend.

We acknowledge receipt of your email.

Alan Katz, an investigator, who works with FKSA may be reaching out to you. Any relevant information that you may have should be provided to Alan on a voluntary basis.

Thank you. Mary
