Court of Appeals

No. 04-C0-1239

ELENA R. SASSOWER,

Appellant,

v.

UNITED STATES,

Appellee.

BEFORE: Washington and Glickman, Associate Judges, and Nebeker, Senior Judge.

On consideration of appellant's "emergency appeal from the Superior Court" which we construe as a D.C. App. R. 9 (b) motion for release, appellee's response, and appellant's reply thereto, it is

ORDERED that appellant's motion for release is denied. Appellant has failed to show reversible error under D.C. Code § 23-1325 (c) (2001). It is

FURTHER ORDERED, *sua sponte*, that this appeal is hereby dismissed as being unnecessarily duplicative of appeal no. 04-CV-760.
