Dear Mr. Casella:

I enclose two letters sent by Doris L. Sassower to Dr. Mark Scher by facsimile today so that you are kept abreast of our on-going efforts to arrange for an examination with Dr. Scher. I also note that we have heard nothing further on our reasonable request for Dr. Scher's credentials. I urge you to make arrangements with Dr. Scher to provide us with such information promptly.

Thank you for your attention to this matter.

Very truly yours,

ELI VIGLIANO

Dear Dr. Scher:

On June 20, 1991, I called your office seeking an immediate appointment with you, after advising of the Appellate Division's Order.

I was told you were on vacation and that you would be informed of the exigency of the matter. You called the following day at which time you stated you would not be returning to work until the 27th, but you scheduled an appointment for June 28th at 3 p.m., subject to your checking with your office. In response to my request that you send me a copy of your credentials in the interim, you stated that you "work for the Grievance Committee" and would have to check with Mr. Casella and get back to me about that.

I did not hear back from you, nor did I receive the requested credentials. However, on June 26th, I received a message that you had cancelled the scheduled appointment and that you would be calling back this week to reschedule it. My daughter called on Friday to confirm the fact that you had cancelled the appointment and to remind you of my request for a copy of your credentials.

Having heard nothing from you on Monday, I called yesterday morning and was told that you were unavailable. You thereafter telephoned while I was out.

I called at 10:45 this morning and again left a message with Louise. Please send your credentials immediately so that we do not lose any more time needlessly.

Very truly yours,

DORIS L. SASSOWER

Dear Dr. Scher:

This is to confirm our conversation at 3:00 p.m. today wherein you stated that:

- (1) You will not supply me with a copy of your credentials, as repeatedly requested.
- (2) You will not give me an appointment sooner than July 18, 1991, nor an assurance that the appointment we have now scheduled for 3:00 p.m. on July 19th will not again be cancelled by you.

This is to also confirm that despite my reasonable request that you set forth these matters yourself in writing, you refused to do so.

Very truly yours,

DORIS L. SASSOWER
