Subject: Action alert to the Westchester Chapter of the NYS Libertarian Party: This year's race for Westchester Co. Executive -- & next year's races for ALL NYS' statewide elective offices & legislative seats
Attachments: 8-10-17-open-ltr.pdf; 9-5-17-suffolk-da-candidates.pdf

TO: NYS Libertarian Party Westchester Chapter Chair Mark Rosen
NYS Libertarian Party Westchester Chapter Representative Aram Fuchs

I would appreciate if you would call me, AT YOUR EARLIEST CONVENIENCE, so that we can discuss my attached August 10, 2017 OPEN LETTER pertaining to this year's Westchester county executive race – and next year's elections, when New York State's most powerful incumbent public officers will ALL be up for re-election. The OPEN LETTER, addressed to New York State Reform Party Chair Curtis Sliwa, was not only sent to him, but to the seven other political parties with automatic ballot lines in New York State – the Libertarian Party not being among them.

ALL the evidence substantiating the August 10th OPEN LETTER is posted on the Center for Judicial Accountability's website, www.judgewatch.org, accessible *via* the prominent link "**OUTING CORRUPT & COLLUSIVE INCUMBENTS & Ending their Road to Re-Election & Higher Office in 2017, 2018, & Beyond – WITH EVIDENCE**". The direct link is here: <http://www.judgewatch.org/web-pages/elections/2017/8-10-17-open-ltr.htm>.

Based on the evidence – none more dispositive than the record of CJA's two citizen-taxpayer action against Governor Cuomo, Attorney General Schneiderman, Comptroller DiNapoli, and ALL New York State legislators, sued for corruption with respect to the New York State budget, Senator Latimer, among them – I trust you will agree with the proposal I set forth by my below e-mail, sent earlier today, to New York State Libertarian President Mark Glogowski and to Libertarian Party's Suffolk Chapter Chair Mike McDermott and Suffolk Chapter Representative Jim Harris, in addition to the Libertarian Party's candidates for Suffolk County D.A. and Suffolk County sheriff, Chris Garvey and Peter Krauss.

I look forward to speaking with each of you, directly, about it.

Thank you.

Subject: The NYS Libertarian Party can WIN next year's race for governor -- & other key races this year and next throughout NYS

Dear Chris,

Following up my below e-mail to you and Peter and our phone conversation a short time ago, I commend the New York State Libertarian Party for posting the names and e-mail addresses for ALL its officers on its website:

<https://www.lpnewyork.org/officers/>.

As you are on deadline, I am also sending this e-mail to NYS Libertarian President Mark Glogowski, Suffolk County Chair Mike McDermott, and Suffolk County Representative Jim Harris so that they can call me, AS SOON AS POSSIBLE, about what you, Peter, and I have already discussed concerning my September 5, 2017 letter to Suffolk County D.A. candidates Timothy Sini and Ray Perini: <http://www.judgewatch.org/web-pages/elections/2017/long-island/suffolk-da.htm> – to which the Suffolk County sheriff candidates Phil Boyle and Larry Zacaese were indicated recipients, as likewise the members of the Suffolk County Legislature – all up for re-election this year.

The September 5th letter details CJA's unfolding citizen-taxpayer action against Governor Cuomo, Attorney General Schneiderman, Comptroller DiNapoli, and ALL Senate and Assembly members, sued for corruption with respect to the NYS budget: <http://www.judgewatch.org/web-pages/searching-nys/budget/citizen-taxpayer-action/2016/menu-2nd-citizen-taxpayer-action.htm>. **The NYS Libertarian Party must assemble a review team of its lawyer-officers and other qualified persons to IMMEDIATELY review the lawsuit record – and verify that ALL the incumbent public officers – and certainly ALL those in leadership positions – cannot be elected to higher public offices or re-elected to their current offices – because they must ALL be indicted for the “grand larceny of the public fisc” and other corruption which the record chronicles, *prima facie* and resoundingly.**

Upon the review team's verification of same and report to the Libertarian Party's officers, the Party must call a formal press conference, from the Capitol, in Albany and send out e-mail alerts to its members, “blowing the whistle” and announcing a recruitment drive for “whistle-blowing” candidates to defeat the corrupt and collusive incumbents, using, as a starting point, the citizen-taxpayer action. As discussed, the most important “whistle-blowing” candidate that the NYS Libertarian Party must recruit for next year is for governor so that it can regain an automatic party line. Indeed, if the Libertarian Party's gubernatorial candidate is strong and qualified – not merely window-dressing – he/she CAN win, based on the citizen-taxpayer action, alone!

I would appreciate if you and Peter would add your strong endorsement to this e-mail to help get the ball rolling – and, likewise urge, by way of overview that Messrs Glogowski, McDermott, and Harris, not only read the September 5, 2017 letter, which I am additionally attaching but watch the VIDEOS of my January 30, 2017, January 31, 2017, and February 6, 2013 testimony before the Legislature: <http://www.judgewatch.org/web-pages/searching-nys/2017-legislature/budget-hearings.htm>.

Thank you.

Subject: The Libertarian Party's Suffolk Co D.A. Race & Beyond to Next Year's statewide races, etc.

Dear Chris,

I know as a practicing attorney you are very busy, but you are the Libertarian Party's candidate for Suffolk County D.A. – and I have been looking forward to continuing our conversation about how you can capitalize on my September 5th letter to advance your candidacy -- & the profile of the Libertarian Party: <http://www.judgewatch.org/web-pages/elections/2017/long-island/suffolk-da.htm>. Please call me, at your earliest convenience, so that we can pick up on our conversation last Monday, Sept. 11th.

I have had two productive conversations with Peter – and I believe he was in agreement with me that the Libertarian Party must, AS SOON AS POSSIBLE, assemble a legal team to review CJA's groundbreaking citizen-taxpayer actions – beginning with the March 29, 2017 supplemental complaint in the 2nd citizen-taxpayer action, which relates to THIS fiscal year, so as to confirm that, apart from this year's Suffolk County races, it is a “game-changer” with respect to next year's big races – involving the defendant state officers. As I explained to him, they can't be re-elected. Based on the lawsuit, they must be INDICTED for their “grand larceny of the public fisc” & other corrupt acts. He gave me the name of Gary Donoyan – who I am cc'ing on this e-mail so that he can work with you on the casefile review. Gary, please watch the videos of my testimony before the Legislature at its January 30, 2017, January 31, 2017, and February 6, 2013 budget hearings for an overview.

Meantime – here's the link to the webpage of the conflict-of-interest/misconduct complaint I filed yesterday against defendant AG Schneiderman for his litigation fraud in the citizen-taxpayer actions: <http://www.judgewatch.org/web-pages/searching-nys/budget/citizen-taxpayer-action/complaints-notice/9-16-17-attorney-disciplinary-complaint.htm>. He should be the FIRST to go down, based on the citizen-taxpayer actions, followed by Governor Cuomo & Comptroller DiNapoli – and the incumbent state legislators.

We have no time to waste.

Thanks.

Subject: Let the Libertarian Party's Candidates for Suffolk County DA & Sheriff Lead the Way to Forcing Other Candidates to Confront the Larcenous & Fraudulent DA Salary Issue, Etc.

Dear Peter,

Thank you for your e-mail.

I am available to assist you, to the fullest, in your race, on the Libertarian line, for Suffolk County sheriff. Likewise, the Libertarian party's Suffolk County D.A. candidate Chris Garvey, with whom I spoke a few days ago.

Meanwhile, have you seen Greg Blass' column in the Riverhead Local “*How the Suffolk DA came to be the highest paid elected official in the county – and what you can do about it*”. It's here: <https://riverheadlocal.com/2017/09/11/greg-blass-suffolk-da-came-highest-paid-elected-official-county-can/>.

As the D.A. salary issue is not just electorally-relevant, but explosive, I believe Greg will be following up with significant additional coverage of the issue. I am, therefore, cc'ing him on this e-mail so that he can have a "heads-up" on the Libertarian party's expected leadership – exposing the posturing and "window-dressing" of the other parties' D.A. and sheriff candidates.

Regards,

Elena

Subject: Helping you in your Godly, Patriotic Run for Suffolk County Sheriff!

Dear Peter,

This follows up the voice mail message I left for you a short time ago.

I have watched the video of your interview on Gary Jacob's Long Island Backstory: <https://www.youtube.com/watch?v=hgv4K3YHxNM>. Bravo. You are absolutely right – and I feel the same way – that working to advance truth and justice and to vanquish corruption is a godly call. Thank you, thank you for taking up the difficult challenge of running for Suffolk County sheriff. We need civic-minded public officers like you.

Attached is my September 5th letter to Suffolk County D.A. Candidates Sini & Perini -- also sent to Suffolk County Sheriff Candidates Boyle and Zacarese because the letter encompasses the corruption of candidate Boyle as state senator – your state senator. The e-mails transmitting the letter to Candidate Zacarese and to Candidate Boyle are below.

The webpage for the September 5th letter & the Suffolk Co. D.A. race is here: <http://www.judgewatch.org/web-pages/elections/2017/long-island/suffolk-da.htm>. A separate webpage for Senator Boyle's run for Suffolk County sheriff is here: <http://www.judgewatch.org/web-pages/elections/2017/long-island/boyle.htm>. These webpages are accessible from the Center for Judicial Accountability's homepage, www.judgewatch.org, via the prominent center link "OUTING CORRUPT & COLLUSIVE INCUMBENTS & Ending their Road to Re-Election & Higher Office in 2017, 2018, & Beyond -- WITH EVIDENCE"

This is a HUGE OPPORTUNITY for you to do what Zacarese should be doing – but is not -- exposing Senator Boyle's role in government corruption, involving district attorneys, judges, and our other elected public officers who, in addition to their other corruption, are STEALING taxpayer monies.

CALL me, after your review, so we can discuss it.

Again, thank you – and bless you,

Subject: Shouldn't you & Reform Party DA Candidate Perini be alerting Reform Party Chair Curtis Sliwa of the explosive electoral significance of CJA's September 5, 2017 letter in ousting incumbent elected officials?

TO: Would-Be Suffolk County Sheriff Larry Zacaese

What a surprise it was not to have received any return call from you, two weeks ago, when – after discovering NO contact information for you on your campaign website – neither an e-mail, nor phone number -- I tracked you down at your office at Stony Brook University, leaving an extensive message with your secretary, Rose, as well as a voice mail message for you, stating that I had useful information and documentation to furnish you in your electoral contest against Senator Boyle relating to his corruption, in office, as a senator.

Even more surprising was my phone conversation with Rose on Tuesday, September 5th, when I called your office to request your campaign e-mail address. After telling her that I had received no return call from you, and that I had an important letter addressed to Suffolk County D.A. Candidates Sini and Perini relating to the salary freeze that the Suffolk County legislature was going to be voting on for elected officers – and that you and candidate Boyle were each indicated recipients of the letter, because it related, as well, to Senator Boyle's corruption as senator – she refused to give me your campaign e-mail address so that I could e-mail it to you.

Nonetheless, I presume, by now, you have read the September 5th letter, as I told Rose that it would be posted on CJA's website, www.judgewatch.org, accessible *via* the prominent homepage link "OUTING CORRUPT & COLLUSIVE INCUMBENTS & Ending their Road to Re-Election & Higher Officer in 2017, 2018, & Beyond – WITH EVIDENCE". Yet, I have still not been favored with a call from you.

By contrast, Senator Boyle's campaign website not only has an e-mail address for him, but when, not realizing that, I telephoned his Senate district office for a campaign e-mail address, also on September 5th, Senator Boyle himself called me back and I discussed with him, directly, the letter's content, including as to what it said about him.

A short time ago, I communicated the foregoing to Nancy Marks of Campaigns Unlimited, whose name and phone number I found on your campaign website in connection with your today's campaign event, where Reform Party Chair Curtis Sliwa is travelling out to Suffolk County to boost your candidacy. The context of my doing so was her telling me – after herself being unable to find an e-mail or phone number for your campaign on the website – that she knows that you "will speak to anybody and return anyone's call". If so, why have you not returned my calls?

By the way, is the Reform Party aware that this is how you conduct yourself, as a candidate? Suffice to say that DA candidate Perini, who, like yourself, has the Reform Party endorsement, promptly called me back on September 5th, in response to my call to his law office, occasioned by the absence of any campaign e-mail or phone number for him on his campaign website.

As you and Mr. Perini are each lawyers – and underdogs in your electoral contests – shouldn't you be alerting Reform Party Chair Sliwa of the explosive electoral significance of CJA's September 5, 2017 letter and, most importantly, of the record of CJA's second citizen-taxpayer action in ENDING the 2018 election prospects of Governor Cuomo, Attorney General Schneiderman, Comptroller DiNapoli, as likewise, of the most powerful incumbents in the Senate and Assembly and a huge swath of the rank-and-file?

Thank you.

Subject: Informing the Suffolk County Legislature & Suffolk County Voters -- TODAY's Legislative Board Meeting -- Resolution #1576-2017 -- Freezing Salaries of Suffolk Co. Elected Officials

TO: Would-Be District Attorney Tim Sini

Yesterday, after finding no contact e-mail or phone number on your campaign website, I called the Suffolk County police department shortly before 10 a.m. – and spoke with your assistant Keri Ann Soto, explaining to her that I had an important letter addressed to you and your D.A. competition, Ray Perini, pertaining to a resolution on the agenda of today's meeting of the Suffolk County Legislature seeking to freeze the Suffolk County D.A. salary. I requested a campaign e-mail address for you – and Ms. Soto stated that she would pass on my message. It is now more than a day later – and I have received no return call or e-mail with your e-mail address.

Following the formula of e-mail addresses for other Suffolk County public officers, I am now forwarding to you the below e-mail, with its attached letter, to an address that I surmise might be yours. As I will have further e-mail to send you relating to your race for Suffolk County D.A., I reiterate my request for your campaign e-mail address.

Thank you.
