TO: Harry Wilson/Potential Candidate for New York State Governor –

This follows up my phone conversation earlier this afternoon with your assistant, Elena Milano, thanking you for your civic activism and willingness to undertake a public contest to be New York's next governor, facing off, most probably, against incumbent Governor Andrew Cuomo. We need someone like you, with the independence, born of substantial financial means, to clean up the boundless corruption that pervades all three branches of New York State government, in which BOTH parties – Democratic and Republican – are utterly collusive and whose gushing source and motivator is the 160-plus billion-dollar slush-fund New York State budget.

News reports indicate that you are willing to devote substantial amounts of your own money to fund your gubernatorial campaign. That is not necessary. All you need to catapult yourself as a candidate – indeed, a WINNING candidate – and galvanize support from voters of all political parties -- is to use the bully-pulpit that is your name recognition, most importantly, as the formidable 2010 Republican candidate against incumbent Democratic state comptroller Thomas DiNapoli, to expose the "grand larceny of the public fisc" in which Governor Cuomo, Comptroller DiNapoli, and their fellow Democratic and Republican public officers at the highest levels of New York's government have been engaged. This is EASY to do as they are ALL defendants in an unfolding citizen-taxpayer action whose ten causes of action particularize their FLAGRANT violations of the New York State Constitution, statutory law, caselaw, and legislative rules with respect to the legislative budget, the judiciary budget, and the executive budget. This includes the UNCONSTITUTIONALITY of Governor Cuomo's behind-closed-doors, "three-men-in-a-room" budget deal-making – the first lawsuit to ever challenge such perversion of our representative democracy.

The full record of the citizen-taxpayer action, which our non-partisan, non-profit citizens' organization, Center for Judicial Accountability, Inc. (CJA), brought, in the public interest, on behalf of the People of the State of New York, is posted on our website, www.judgewidth.org, accessible via the prominent homepage link: "**CJA's Citizen-Taxpayer Actions to END NYS' Corrupt Budget 'Process' and Unconstitutional 'Three Men in a Room' Governance**". I showed the link to your assistant Elena, as likewise, the link entitled "**OUTING CORRUPT & COLLUSIVE INCUMBENTS & Ending their Road to Re-Election & Higher Office in 2017, 2018, & Beyond – WITH EVIDENCE**".

The EVIDENCE that brings down incumbent Governor Cuomo, incumbent Comptroller DiNapoli, incumbent Attorney General Schneiderman, and ALL incumbent Senators and Assembly members running for re-election next year – and does so in one fell swoop -- is CJA's citizen-taxpayer action, suing them for corruption. This, of course, includes the state legislators whose names have surfaced, with yours, as possible Republican contenders for governor – Senate Deputy Majority Leader John DiFrancisco and Assembly Minority Leader Brian Kolb – whose corruption, in office, I can attest-to from many, many years of direct interaction with each, including as reflected in a mountain of documentary PROOF, which I can readily furnish, over and beyond what is embodied in the citizen-taxpayer record.

As another name that has bobbed up as a possible Republican contender against Governor Cuomo is Westchester County Executive Rob Astorino, who lost to Governor Cuomo in 2014 and now facing a substantial re-election challenge as county executive from Senator George Latimer, I recommend that you begin your reading of the odyssey that is CJA's citizen-taxpayer action by the summary of it presented by my attached August 10, 2017 OPEN LETTER to Reform Party Chair Curtis Sliwa about Senator Latimer's record, in office. As you can see from the below e-mail, it was transmitted to

the Reform Party and to New York's seven other recognized political parties – the Republican Party, among them – and also sent to County Executive Astorino. All the substantiating proof to the August 10th OPEN LETTER, including my January 2014 correspondence to County Executive Astorino, which could have WON him the governor's race against Cuomo in the November 2014 elections– and, for the Republican ticket, an electoral sweep – is posted on CJA's webpage for the OPEN LETTER. The direct link is here: <http://www.judgewatch.org/web-pages/elections/2017/8-10-17-open-ltr.htm>.

I am available to assist you – and such lawyers and constitutional scholars as you assign to reviewing the citizen-taxpayer record, on your behalf – including by furnishing “hard copies” to facilitate review. As I am only a couple of blocks from your White Plains office, it would be especially easy for me to meet with you – and I would be most pleased to do so and to discuss the extraordinary opportunity you have to “fix the broken organization” that is New York State.

With appreciation and patriotism,

Attached is the Center for Judicial Accountability's OPEN LETTER of today's date entitled “**The NYS Reform Party of Curtis Sliwa MUST Rescind its Endorsement of, & Party Line to, Senator George Latimer for Westchester County Executive & the Other Parties Must Follow Suit – Unless they Deem Corruption in Office a Qualification**”, herewith sent to ALL eight recognized political parties and to the three candidates seeking election/re-election to the office of Westchester County Executive: Messrs. Latimer, Astorino, and Jenkins.

The OPEN LETTER is already posted on CJA's website, www.judgewatch.org, accessible *via* the prominent link “**OUTING CORRUPT & COLLUSIVE INCUMBENTS & Ending their Road to Re-Election & Higher Office in 2017, 2018, & Beyond – WITH EVIDENCE**”. The direct link to the webpage for the

letter, which also furnishes THE EVIDENCE on which it is based, is here:

I am available to answer questions, under oath, and to assist you to the max, toward what should be our common goal of open, honest, fiscally-responsible, responsive, and accountable government, such as we do NOT remotely have on the state level... You can change that!

Thank you.
