

CJA's May 14, 2020 message for Sam Fein, sent at 7:40 am, *via* the message feature of his campaign website: <https://feinforassembly.com/home/>

A week ago, I sent you the above message, to which I received no response. Assemblyman McDonald, who has been a member of the Assembly for 8 years, is chair of the Assembly Committee on Oversight, Analysis and Investigation and is a member of such other important committees as Ways and Means and Local Governments. Are you not interested in how he has discharged his duties? And are you not interested in his participation, as a plaintiff, in a federal lawsuit challenging the restriction on outside income imposed by the December 10, 2018 report of the Committee on Legislative and Executive Compensation? Are you familiar with the December 10, 2018 report? If you are not going to call me so that we can discuss the foregoing, at least give me the courtesy of an e-mail acknowledgment. Thank you.
