Subject: You can win, easily & without money, NY's 92nd Assembly seat. All it takes is "whistle-blowing".

Dear Candidate Williams,

I am director & co-founder of the non-partisan, non-profit citizens' organization, Center for Judicial Accountability, Inc. (CJA), based in White Plains, New York.

You can win your Democratic primary for New York's 92nd Assembly seat, easily and without money – and the general election – against Assemblyman Abinanti, a lawyer. All it takes is "whistle-blowing" from the bully-pulpit of your candidacy. Please call me for details – and the EVIDENCE that backs it up, accessible from CJA's website, www.judgewatch.org.

On the assumption that you are unfamiliar with Article VII, §§1-7 of the New York State Constitution pertaining to the fashioning and enactment of the state budget, here it is: <https://codes.findlaw.com/ny/constitution-of-the-state-of-new-york/#!tid=N9A526E8102AB49058F336F851D9B3DA7>. I'd like to begin our conversation by discussing it – and then move on to Assemblyman Abinanti's official misconduct with respect thereto and as a member of Assembly Judiciary Committee and Assembly Codes Committee, and, from 2017-2018, as chair of the Legislative Commission on Government Administration, of which he was the only member, and then, in 2019, chair of the Assembly Committee on Oversight, Analysis and Investigation, which never met and produced no 2019 annual report – and, of course, as a member of Westchester's state legislative delegation, having responsibilities to safeguard the Westchester County budget from unfunded mandates and the like. And let me not forget to discuss with you Assemblyman Abinanti's 2019 federal lawsuit, with two other legislators, in furtherance of fraudulent legislative pay raises.

I look forward to hearing from you soon – and am available over the weekend and in the evenings. Please be in front of a computer, when you call.

Thank you.
