You can win, easily & without money, NY's 32nd Senate seat. All it takes is "whistle-blowing"

Dear Candidate Stewart-Martinez,

I am director & co-founder of the non-partisan, non-profit citizens' organization, Center for Judicial Accountability, Inc. (CJA), based in White Plains, New York.

You can win your Democratic primary for NY's 32nd Senate seat – and the general election – easily and without money. All it takes is using the bully-pulpit of your candidacy to “whistle-blow” about Senator Sepulveda’s corruption, in office – as a member of the Senate Judiciary Committee, as a member of the Senate Committee on Investigations and Government Operations, and with respect to the New York State budget and his own pay raise.

Please call me for the details – and the EVIDENCE that backs it up, accessible from CJA’s website, www.judgewatch.org.

I look forward to hearing from you soon. Please be in front of a computer, when you call.

Thank you.
