TO: NON-INCUMBENT CANDIDATES FOR STATEN ISLAND'S STATE SENATE & ASSEMBLY SEATS

SD-23: Justin DeFillippo (C); *John Jairo Rodriguez (SAM)

AD-61: Paul Ciurcina (R, C)

AD-63: *Anthony DeGuerre (R, C, SAM)

AD-64 Brandon Patterson (D, I); *Michael Tannousis (R, C)

This is to alert you to the GOOD NEWS – which New York's "fake news"/election-rigging journalism has been concealing. You can win election easily and without money against Staten Island's re-election-seeking state legislative incumbents. All it requires is using the "bully-pulpit" of your candidacy to whistle-blow about the above-attached FULLY-DOCUMENTED public corruption/grand jury complaint against them, which Staten Island District Attorney Michael McMahon has been "sitting on". The complaint establishes, with EVIDENCE, that they must be indicted on EVIDENCE *so prima facie* and open-and-shut as to assure convictions.

New York's press has known about the complaint for quite some time – and illustrative is the below September 21st e-mail to The New York Times and other New York press, to which Staten Island's six state legislative incumbents and D.A. McMahon were cc'd so that they could be ready for press inquiries. Individually and collectively, if you stand up for honest, accountable government and make the complaint your campaign issue, you will win – easily. Demand that the complained-against state legislators respond to the complaint, that D.A. McMahon explain why he has not presented it to a Staten Island grand jury, and that the press do its part to investigate and report.

I am available to answer your questions – and invite you to call me so that I can furnish you with specifics addressed to the incumbents against whom you are running – most importantly, Senator Savino.

Needless to say, voters are entitled to know from you what salary you expect to be paid, if you were to be elected to the Legislature – and whether you will commit to ensuring: (1) public findings of fact and conclusions of law with respect to the complaint; (2) prosecution of all culpable public officers and their conspirators; and (3) "claw-backs" to recover the approximately half-a-billion dollars in fraudulent salary increases, already paid out. Please advise – including Candidates Patterson and Tannousis, competing against each other for the open seat created by the congressional run of incumbent Assemblywoman Malliotakis.

Finally, I ask your help in forwarding this e-mail to the above-listed three candidates whose names are preceded by an asterisk (*), as I do not have e-mail addresses for them.

Thank you.
