### TO: NON-INCUMBENT CANDIDATES FOR WASHINGTON COUNTY STATE SENATE & ASSEMBLY SEATS

SD-43: Patrick Nelson (D, WF)  
SD-45: Kimberly Davis (D, WF)

AD-107: Brittany Vogel (D, WF); Charles Senrick (L)  
AD-113: David Catalfamo (R, C)  
AD-114: Claudia Braymer (D, WF); Matthew Simpson (R, C, I); Evelyn Wood (SAM)

**This is to alert you to GOOD NEWS.** You can win election easily and without money against Washington County's re-election-seeking state legislative incumbents – and against incumbent Assemblyman Stec seeking election to the Senate. All it requires is using the “bully-pulpit” of your candidacy to whistle-blow about the above-attached FULLY-DOCUMENTED public corruption/grand jury complaint against them, which Washington County District Attorney Jordan has been “sitting on”. The complaint establishes, with EVIDENCE, that they must be indicted on EVIDENCE so *prima facie* and open-and-shut as to assure convictions.

Washington County's press has known about the complaint for some time – and illustrative is the below September 17<sup>th</sup> e-mail to its “local journalism”, to which Washington County's five state legislative incumbents and D.A. Jordan were cc'd so that they could be ready for press inquiries. Individually and collectively, if you stand up for honest, accountable government and make the complaint your campaign issue, you will win – easily. Demand that the complained-against state legislators respond to the complaint, that D.A. Jordan explain why he has not presented it to a Washington County grand jury, and that the press do its part to investigate and report.

I am available to answer your questions – and invite you to call me so that I can furnish you with specifics addressed to the incumbents against whom you are running.

Needless to say, voters are entitled to know from you what salary you expect to be paid, if you were to be elected to the Legislature – and whether you will commit to ensuring: (1) public findings of fact and conclusions of law with respect to the complaint; (2) prosecution of all culpable public officers and their conspirators; and (3) “claw-backs” to recover the approximately half-a-billion dollars in fraudulent salary increases, already paid out. Please advise.

Thank you.
