**Subject:** **Helping Mr. Trump -- the politicization & corruption of the FBI, US Attorneys, the media, etc., covering up FULLY-DOCUMENTED corruption complaints vs AG James.**

**TO: Alina Habba, Esq.**

This follows up my brief phone conversation with your receptionist Melissa (908-869-1188).

I am director and co-founder of the NY-based non-partisan, non-profit citizens' organization Center for Judicial Accountability, Inc. (CJA) – and have direct, first-hand experience with NY Attorney General Letitia James & how her AG's office operates. She and the office are corrupt and politicized – and I have laid this out in FULLY-DOCUMENTED complaints against her for corruption involving larceny of massive amounts of taxpayer monies *via* a “slush-fund”, completely “off-the constitutional-rails” NYS budget and fraudulent pay raises of which she is a beneficiary. These have been filed with the FBI, NY's 4 US Attorneys, 62 District Attorneys – and such ethics authorities as NY's attorney grievance committees and the former Joint Commission on Public Ethics (JCOPE), which is now the Commission on Ethics & Lobbying in Government (CELG).

Last year, I tried to reach Mr. Trump – creating a webpage with a June 4, 2021 “Dear Mr. Trump” message for him, highlighting AG James' hypocrisy in going after him on the pretense that “no one is above the law”, when she herself is TOTALLY “above the law” – “protected” by all these criminal and ethics authorities – and the press – from ANY accountability. The direct link to the “Dear Mr. Trump” webpage is [here](#) -- & the first link, at the top, is to a separate webpage with the complaints I have filed against AG James – featuring my February 11, 2021 attorney misconduct complaint against her, mandating that she be disbarred and referred to criminal authorities for indictment. For your convenience, here's the [EVIDENTIARY webpage for the February 11, 2021 complaint](#) – which, because AG James is registered in the 1<sup>st</sup> Department, is within the jurisdiction of the 1<sup>st</sup> Dept. Attorney Grievance Committee.

My most recent complaint vs AG James was on July 8, 2022 to CELG – and was its first. It pertains to her litigation fraud to defeat CJA's major lawsuit vs her & NY's other highest constitutional officers for corrupting ethics/public protection oversight over themselves – and pertains to the state budget and pay raises. The direct link to CJA's webpage for the July 8, 2022 complaint to CELG is [here](#). The electronic court docket for the lawsuit is [here](#). The notice of motion that I filed early this morning against AG James to sanction her, to refer her to disciplinary and criminal authorities, and for her disqualification is [#93](#).

I am available to answer questions – and would welcome the opportunity to speak with you directly or to such other attorneys/staff as you designate.

Please also forward this e-mail to Mr. Trump so that he will know what has been going on – and also to your press contacts for their investigation and reporting.

Thank you.
