FOR THE SECOND CIRCUIT

----------x

In re: GEORGE SASSOWER, Esq. Docket No. JC. 94-8509
Petitioner.
"An Instrument of Crime"

----------x

Without prejudice to the contention that the Order of March 10, 1994 of the Second Circuit Judicial Council (In re: ***George Sassower***, 20 F.3d 42 [2nd Cir.-1994]), was and is an "Instrument for the Commission of a Crime", was and is a nullity, and that any attempt at its enforcement whether by judge, official or employee gives rise to a money tort action; and after due notice has been given to, Chief Justice of the United States, ***John G. Roberts***, Attorney General of the United States, ***Eric Holder***, the ***Public Integrity Section of the Department of Justice***, and [former] Judge ***Jon O. Newman*** for the Second Circuit Court of Appeals, and they having been afforded the opportunity to produce any evidence that the Attorney General of the United States or the Department of Justice ever "intervened", as stated in the published opinion of March 10, 1994, in any action "revolving around" ***"The Citibank Bribes for Total Immunity Criminal Enterprise"***; and it further

APPEARS that neither U.S. Circuit Court Judges ***John O. Newman, John M. Walker, Roger J. Miner, Ralph K. Winter, Amalya L. Kearse, Barrington D. Parker Joseph A. Cabranes***, U.S. District Court Judges ***Thomas C. Platt, Thomas P. Griesa*** nor ***Thomas J. McAvoy*** former members of the Second Circuit Judicial Council, are willing to "swear under oath" or "affirm under penalty of perjury" that the Order of March 10, 1994 is valid and free of fraud or deceit, and it further

APPEARS that commencing with ***Vilella v. Santagata*** (SDNY 87Civ1450 [GLG]), and many times thereafter in the past twenty-two (22) years facilitated by the Order of March 10, 1994, [former] Chief Judge for the Second Circuit Court of Appeals Judge and [former] Chairman of the Executive Committee of the Judicial Conference of the United States, ***Wilfred Feinberg*** and U.S. District Court Judge ***William C. Conner***, sued in their "*personal capacities*" were defended in their "*personal capacities*" by federal attorneys, at *unauthorized* federal cost and expense, and where there has been no 28 ***U.S.C.*** 2675 "notice of claim" filed, a felony, by both the federal attorneys involved and by ***Wilfred Feinberg*** and ***William C. Conner***, punishable by a term of incarceration and a fine (31 ***U.S.C.*** §§1341, 1342 & 1350); and it further

APPEARS, that the various federal attorney have had to "cook" their official books to conceal these *unauthorized* expenditures from federal fiscal authorities, which are also "*felonies*" (18 ***U.S.C.*** §1001), as responses to ***Freedom of Information Act*** requests confirm (*e.g.* Exhibits "AA", "AB", "AC" and "AD"); and it further

APPEARS that the Second Circuit Judicial Council, by Chief Judges ***Ralph K. Winter***, ***John M. Walker***, and ***Dennis G. Jacobs,*** including the present, whose members include U.S. Circuit Court Judge ***Sonia Sotomayor***, has failed and refused to reconsider its restriction, as required Rule 19A of the "Rules of the Judicial Council of the Second Circuit", thus permitting the continuation of this fraud upon the United States, and it further

APPEARS from the annexed Judicial Misconduct Complaints that petitioner desires to limit his complaint to compelling ***Wilfred Feinberg*** and ***William C. Conner*** to reimburse the ***United States*** for the *unauthorized* expenditures made on their behalf; and it

APPEARS that because of the apathy of Chief Justice of the United States, ***John G. Roberts*** and Attorney General of the United States, ***Eric Holder*** on the subject, desires that ***Bill O'Reilly*** of ***Fox News***, be designated as Special Attorney General of the United States for the purpose of seeking "*reimbursement*" in favor of the United States from these and other Article III federal jurists and officials who have also been defrauding the United States,

NOW, therefore, without prejudice to the assertion that "permission to file" is not necessary, it is

ORDERED, that "*permission to file*" these and other Judicial Misconduct Complaints, based on the same issue, is hereby granted.
