I hereby petition the Judicial Council for review of the Memorandum Opinions & Orders of Chief U.S. Circuit Court Judge ***Theodore A. McKee*** in JC 03-09-90074/75 which, for multiple reasons, including the lack of "*subject matter jurisdiction*"), as a *sua sponte* obligation, the Court must initially address (*Mansfield v. Swan,* 111 U.S. 379 [1884]) and found to exist *before* non-jurisdictional issues are examined (*Ruhrgas v. Marathon*, 526 U.S. 574 [1999]).

This threshold and related issues, are being contemporaneously raised in the Supreme Court of the United States and elsewhere.

1. After being "*fixed*" by Chief U.S. Circuit Court Judge ***Anthony J. Scirica,*** U.S. District Court Judges ***Bruce W. Kaufman*** and ***William H. Yohn, Jr.*** made their dispositions whose *only* victim was the Treasury of the United States (Exhibit "A" & "B"), a branch of the federal government under the "*exclusive*" constitutional control of the Article I Congress.

2. The action and proceeding that were before U.S. District Court Judges ***Bruce W. Kaufman*** and ***William H. Yohn, Jr.*** revolved around "***The Citibank Bribes for Total Immunity Enterprise***" ["***The Enterprise***"], wherein for "*bribe*" payments by ***Citibank, N.A.***, it and its entourage were given "*total immunity*", which immunity included that they would not be "*divested*" of any of their illicit "loot", even when the beneficiary was the United States treasury.

Thus, the threshold issues are, did U.S. District Court Judges *Bruce W. Kaufman* and *William H. Yohn, Jr.* have the "*constitutional* or *jurisdictional*" power to financially defraud the United States, and are the dispositions made thereby "*null & void*"???

3. For the past twenty-two (22) years, federal judicial officials, such as ***Samuel A. Alito***, and federal jurists, such as ***Anthony J. Scirica***, from the Third Circuit, have been defrauding the United States, financially and otherwise, in the Third and other Federal judicial circuits in a continuing "Conspiracy to Defraud the United States" (18 *U.S.C.* §371).

Until the "jurisdictional" issue is resolved, all other issues should be held in abeyance. The Memorandum Opinions are "contrived nonsense" which do not address the essential issues!

Dated: September 23, 2010

Yours, etc.
