Mr. George Sassower

White Plains, New York 10603

Dear Mr. Sassower:

Here is a list of complaints you have made. It may not be complete as to any prior to 1989, since that information has not been computerized. We have no listing of the dates of your complaints, and I cannot spare the time to inspect the original complaints.

I trust that this list is sufficient for your purposes. I will not devote further staff time to obtain information or records. In 1986, when you made your first complaint, I had a staff of 45 persons in three cities. I now have 26.

Very truly yours,

Gerald Stern
