A Time For The Journalist & The Media

1. For thirty-four (34) years, NY State judges have been *defrauding* the NY State treasury, by dragooning or accepting the defense representation of the New York State Attorney General ["NYSAG"] in both the New York & Federal courts, when sued in their "*personal capacities*", in tort, for money damages, despite the prohibition contained in Article XIII §7 of the *New York State Constitution* and Amendment XI of the *Constitution of the United States* (*Hans v. Louisiana*, 134 U.S. 1 [1890]).

Although the obligation of "*reimbursement*" by those expending and those receiving such *unconstitutional* monies & services is absolute, in thirty-four (34) years, not one dollar has been paid & not one dollars has been received by the *State of New York*, since no NY State Attorney General or judge has been willing to Order these judges to satisfy their financial obligations to the *State of New York*.

2. The *fraud* was dramatically augmented when these NY State attorneys, *always* comported themselves to serve the interests of *Citibank, N.A.*, although *invariably* adverse to the interests of the *State of New York*, financially & otherwise.

3. Where "*government monies*" are involved the *Constitution of the United States* (Article 1 §9), the Constitution and/or laws of *every* State & local government, mandates "*public accountings*"!

Consequently, the constitutional & legal obligation for "*public disclosure*" becomes the obligation of the "*Journalist & Media*"!

4. *Jonathan Lippman*, in his "*personal capacity*" was defended by Assistant NY State Attorney Generals, in the State & Federal courts in White Plains, at *unconstitutional* NY State cost & expense. Neither *Jonathan Lippman* nor anyone else ever denied that he is obligated to *reimburse* the State of New York, but he has refused to satisfy such obligation!

Your obligation is to ask the Chief Judge, why he does not satisfy his obligation to the *State of New York* (518-455-7840) and publish the response! Ask the Chief Judge why he does not "direct" all judges who have received *unconstitutional* New York State and/or services for the past thirty-four (34) years to *reimburse* the State of New York?

Ask the NY State Attorney General, *Eric T. Schneidereman*, why he does not sue to recover these monies in favor of his client, the State of New York (212-416-8000)?

Ask D.A. *Janet DiFiore* (914-995-3414) why she does not request a Grand Jury indictment or information against *Jonathan Lippman*, for *defrauding* the State of New York in Westchester County?

Yours,

GEORGE SASSOWER
