Re: Matter of Michael Colodner, Esq.  
Docket No. 445/89

Dear Mr. Sassower:

This office has received your inquiry regarding the above-named attorney.

The function of this Committee is to process inquiries to ascertain whether there is sufficient evidence of professional misconduct which would warrant disciplinary action against an attorney. We have carefully reviewed your letter and have determined that your inquiry does not state a complaint of professional misconduct.

We are, therefore, without jurisdiction and regret that we cannot assist you in this matter.

Very truly yours,

*Hal R. Lieberman*
