Update: We met yesterday afternoon (Monday, August 19th) with the Governor's Counsel's staff and provided extensive background information and rationale for approval of our M/C Pay Commission bill (**A.246**). We also delivered your letters in support of the bill.

We still do not have a date for when the Assembly will send the bill to the Governor's Office.

In the meantime, keep emailing us your letters. Use the edit feature to personalize your letter, by describing the effects of the financial loss on you and your family. We will continue to deliver your letters right up to the time the bill's fate is determined.
