FILED CITY COURT OF  
WHITE PLAINS, N.Y.  
2009 OCT 15 A 9:12

Upon the foregoing papers the Court finds and decides as follows:

Although denominated a "notice of motion," the relief sought therein is, in essence, the subject of an Article 78 proceeding, in the nature of mandamus, seeking to compel the Chief Clerk to produce records in connection with a pending appeal before the Appellate Term, Second Department. The City Court is without subject matter jurisdiction to entertain respondent's application (CPLR § 7804 [b]).

Accordingly, respondent's motion is denied. Cross-motion granted to the extent that the City Court is without subject matter jurisdiction to entertain respondent's application.
