Thank you. I had not seen your 12:15 email when I sent you mine an hour later, as I was rushing out the door. I will review everything you've noted, as soon as I return to my desk. However, I see no reason to include defendants' affidavits of service. They are not germane to any issue, unlike plaintiffs' which I have included only because they requested supervisory oversight or were sent to supervisory attorneys, including AG Schneiderman. Please advise. Thanks.

Dear Ms. Sassower,

Thank you for your email of 1:16 p.m. I want to make sure you received my earlier email of 12:15 p.m. with comments on the proposed record. (Another copy is attached for convenience.) The record found at your link does not have a stipulation at the end. I do not think the Appellate Division will accept your record without a stipulation. As indicated in my email, the record requires a few corrections. Once those corrections have been made, I will be able to stipulate that your proposed record "contains correct and complete copies of all pertinent papers," consistent with the proposed stipulation you previously sent to Victor Paladino on June 18.

Also, as previously noted, I will be handling this appeal for the Attorney General's office. You therefore don't need to copy Ms. Kerwin, Ms. Lynch, Mr. Dvorin, or Ms. Levine on emails to me. (Please continue to copy Mr. Paladino, however.)

Finally, thank you for your accommodation on the July 11 date, which is appreciated.

Very truly yours,

Frederick A. Brodie
