TO: Nassau County Legislative Clerk Michael Pulitzer –

Following my yesterday's phone conversation with you and your counsel Dan Gregware and my second conversation with Mr. Gregware a short time ago, attached is the Center for Judicial Accountability's July 8, 2016 letter pertaining to this year's district attorney salary increase for which Nassau County is liable. It is for all Nassau County legislators, executive officers, the treasurer/comptroller, as well as for Nassau County Attorney Carnell Foskey. Unless I hear from you to the contrary, I will assume you have forwarded this e-mail on to them, as I request you to do.

To assist Nassau County in taking protective steps, I am also directly sending this e-mail to Nassau County District Attorney Singas so as to reinforce her duty to promptly furnish her fellow Nassau County public officers with her findings of fact and conclusions of law with respect to the citizen-taxpayer action *Center for Judicial Accountability, Inc. v. Cuomo, et al.* (Albany Co. #1788-2014). Does she deny or dispute its rock-solid evidentiary showing that the judicial salary increases, on which her own district attorney salary increases rest, are statutorily-violative, fraudulent -- & unconstitutional? How about our June 21, 2016 corruption complaint based thereon, filed with Albany County District Attorney Soares? Does she deny or dispute its sufficiency for founding criminal indictments for violations of the penal law – and convictions?

For the convenience of all, the direct link to CJA's webpage for the attached July 8, 2016 letter, from which all referred-to correspondence and substantiating evidence are accessible, is here: <http://www.judgewatch.org/web-pages/searching-nys/budget/budget-2016-17/7-8-16-ltr-to-counties.htm> .

Additionally, I would appreciate if you would ensure that CJA's attached FOIL request of today's date, relating to Nassau County's salaries and other "compensation & non-salary benefits" for its district attorney and other full-time elected county officers, is transmitted to the appropriate Nassau County records access officer for response.

Feel free to call with any questions.

Thank you.
