Dear Ms. Sassower:

This is further response to your request dated June 22, 2016, in which you seek "(1) records identifying "the amount appropriated for the commission" since 1990, including where, in the budget, such line-item appropriation can be found; (2) the Commission's annual reports to the Legislature since 1990."

Additional time is required to review the requested records. We estimate that the Division will respond to your request by January 27, 2017. The Division will notify you in writing when/if any responsive records are available for release or if the time needed to complete the processing of your request extends beyond the above date.

Sincerely,

Alan P. Lebowitz
