**RE:** Freedom of Information Law Request – State Aid for District Attorney Salaries

I have reviewed the FOIL request that was sent to my office on August 11, 2016 and have discussed this request with the County Attorney as well as our Payroll Department. Based on these conversations, I have determined that the information requested is not under the jurisdiction of my department. We do not maintain records on state aid, grants, etc. and are therefore unable to respond to this request. I would suggest that this FOIL request be referred to either County Treasurer Shawn Bowerman or the District Attorney's office, either of whom would be better able to answer the questions posed.
