RE: FOLLOW-UP: May 22, 2017 FOIL/RECORDS REQUEST:
subsequent “amendings” of Governor Cuomo’s budget bills for fiscal year 2017-2018

Thank you for your May 30, 2017 letter responding to my above-entitled May 22, 2017 FOIL/records request. However, none of the six enclosures accompanying your letter are, in fact, responsive. You have furnished records for already “amended” budget bills and for the unamended Legislative/Judiciary budget bill– not, as requested, records as to how and in what fashion the eight budget bills that the Assembly “amended” on March 13, 2017 were subsequently “amended” by it on the dates reflected by the Assembly’s webpage listing of “Actions” for each bill – for a total of eleven subsequent “amendings”.

Therefore, please furnish responsive records – and, if you have none, a statement to that effect.

For your convenience, a copy of the Assembly’s listing of “Actions” for the Governor’s budget bills #A.3000 – A.3009, with their indicated dates of “amending”, downloaded from the Assembly’s website, is annexed. My review of what you have furnished is as follows:

With respect to your #1 “State Operations bill April 8, 2017”, your transmitting e-mail attaches no records – which, if responsive, would have to be for the April 5, 2017 date on which the bill was twice “amended”.

With respect to your #2: “Legislature and Judiciary Budget and Aid to Localities bill April 6, 2017”, I made no request pertaining to the Legislative/Judiciary budget bill, which was never amended. My request was for records pertaining to the **twice “amending” of the Aid to Localities budget bill on April 5, 2017.** You have furnished **no records pertaining to #A-3005-c.** As for #A.3005-d, you have furnished, for the already “amended” bill, the April 6, 2017 “off the floor” agendas of the Assembly Ways and Means Committee and Assembly Rules Committee, the April 6, 2017 votes thereon of those two committees, including, by the Rules Committee, on a “message of necessity, the April 6, 2017 Assembly vote – and the April 4, 2017 Senate vote.

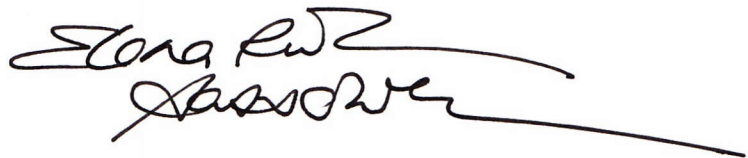

With respect to your #3: “Debt Service bill March 22, 2017”, I made no request pertaining thereto – because there was no “subsequent amending” of the debt service bill, whose one and only Assembly “amending” was on March 20, 2017;

With respect to your #4: “Capital Projects bill April 7, 2017”, which was twice amended on that date, you have furnished **no records pertaining to #A.3004-c**. As for #A.3004-d, you have furnished, for the already “amended” budget bill, the April 7, 2017 “off the floor” agendas of the Assembly Ways and Means Committee and Assembly Rules Committee, the April 7, 2017 votes thereon of those two committees, including, by the Rules Committee, on a “message of necessity”, the April 7, 2017 Assembly vote – and the April 9, 2017 Senate vote;

With respect to your #5: “Public Protection & General Government, Education, Labor & Family Assistance, Health & Mental Hygiene, and Transportation, Economic Development, & Environmental Conservation bills, April 5, 2017”, **these FOUR budget bills were each “amended” by the Assembly on April 4, 2017**. What you have supplied, for each of those already “amended” four budget bills, are the April 5, 2017 “off the floor” agendas of the Assembly Ways and Means Committee and Assembly Rules Committee, the April 5, 2017 votes thereon of those two committees, including, by the Rules Committee, on “messages of necessity”, the April 5, 2017 Assembly votes – and the April 4, 2017 Senate votes. Also included was a notation as to an April 5, 2017 motion on the Assembly floor, by Assemblyman Marco Crespo, to amend #S.2007-b – and the Assembly vote thereon, defeating it by a 95 to 49 vote.

With respect to your #6: “Revenue bill April 8, 2017”, you have furnished, for the already “amended” budget bill, the April 8, 2017 “off the floor” agendas of the Assembly Ways and Means Committee and Assembly Rules Committee, the April 8, 2017 votes thereon of those two committees, including, by the Rules Committee, on a “message of necessity, the April 8, 2017 Assembly vote – and the April 9, 2017 Senate vote.

Thank you.
