On December 17, 2014, I e-mailed a FOIL request to the Attorney General, entitled "Contract for outside counsel to represent JCOPE in the Article 78 Proceeding Trump v. JCOPE (Albany Co. #413414)". I received a December 4, 2014 acknowledgment letter, assigning my FOIL request the # 140715 and advising that I would receive a response as to status by January 26, 2015. On January 26, 2015, I received a further letter that a response was being prepared, which would be sent by March 12, 2015. However, I have no record of having received anything thereafter. Did the Attorney General send a response? If so, please furnish me a copy -- and, if not, please deem this message to be a new FOIL request for the same records as sought by my December 17, 2014 FOIL request. For your convenience, I am attaching the original FOIL request and the AG's aforesaid two letters.

Thank you.
