TO: Senate Ethics & Internal Governance Chair Biaggi:

While waiting for today's hearing to start – since postponed – I discovered a dropped word in my today's" written testimony in lieu of oral testimony" and a couple of punctuation errors, which I have corrected. Kindly supersede with the above-attached. Apologies for the inconvenience.

I take this opportunity to invite you – and other members of the Committee – to ZOOM with me to discuss my serious and substantial testimony, so that we can constructively discuss what needs to happen, going forward, consistent with the duties you owe the People of the State of New York.

Thank you.
