This is being re-sent, as I received a bounce back at 4:06 pm – apparently because I had added an “s” to ny.

Also confirming – as per Sarah Beaver’s phone call to me about 15 minutes ago that I will only be able to testify at one hearing – that my preference is to testify at the “public protection” budget hearing on Wednesday – and, if that cannot be accommodated, at the Thursday budget hearing on “local government officials/general government”.

Thank you.
