Dear Theresa,

Thank you for your call. Yes! I have now received your today's response – forwarding to elena@judgewatch.org the e-mail you had sent on December 16th to elenaruth@aol.com.

For the future, please send all e-mail to elena@judgewatch.org. I don't think it is necessary to additionally send to elenaruth@aol.com, but if you wish to do so for further assurance that your e-mails have reached me, I have no objection.

Again, thank you.

Elena
