TO: Assembly Records Access Officer Robin Marilla

Below, with the above attached, is your March 6, 2017 response to my March 2, 2017 FOIL/request entitled "Where are the Assembly's audio/video webcasts and recordings of committee meetings, pursuant to Assembly Rule IV, §2(g) – & the March 17, 2016 recommendations of Speaker Heastie's 'Workgroup on Legislative Process, Operations, and Public Participation'?".

Pursuant to Assembly Rule VIII ("Public Access to Records"), I reiterate what is there set forth and request to know – more than four years later -- where, on the Assembly's website, I can now find recordings of the live-streamed audio and/or video of ZOOM meetings, held this session, by the following standing committees:

- Assembly Ways & Means Committee
- Assembly Judiciary Committee
- Assembly Codes Committee
- Assembly Committee on Local Governments
- Assembly Committee on Governmental Operations
- Assembly Committee on Oversight, Analysis and Investigation
- Assembly Committee on Ethics and Guidance.

If the ZOOM meetings of these committee are not being recorded and posted on the Assembly's website, please furnish records as to the reason(s) and supply, in electronic form, the agendas of all meetings held by these committees since the start of session – such being necessary because, as discussed, the Assembly removes the committee meeting agendas from its website once they are no longer current: <http://www.nyassembly.gov/leg/?sh=agen>, rather than placing them in an archive, or maintaining them, originally and thereafter, on the committees' permanent webpages of "news/updates": <http://nyassembly.gov/comm/>.

Thank you.
