Dear Ms. Sassower,

I apologize for the delay in responding to your Freedom of Information Law (FOIL) request. As the Committee was only a "cc" on your July 15, 2021, email, we interpreted the email as a request directed to the New York State Senate, not the Committee on Open Government.

I certify that staff of the Committee on Open Government conducted a diligent search and was unable to locate any records responsive to your FOIL request dated July 15, 2021.

Again, I apologize for misunderstanding your July 15, 2021, request on which the Committee was a "cc" recipient.
