Subject: Voice mail left on your hotline, 212-450-3600, on April 5th, pertaining to impeachable acts by Gov. Cuomo, starting with insertion of the immunity provision for nursing homes/hospitals in the 2020 budget

TO: Davis Polk & Wardwell, LLP

ATT: Greg Andres, Esq.; Martine Beamon, Esq; Angela Burgess, Esq.

This follows up the voice message I left on your hotline number, 212-450-3600, two days ago, Monday, April 5th, at approximately 3:00 p.m., to which I have received no return call, nor e-mail communication.

In my message, I identified myself as director and co-founder of the non-partisan, non-profit citizens' organization, Center for Judicial Accountability, Inc. (CJA), and stated that I had important information to furnish you about the insertion of the immunity provision for nursing homes and hospitals into last year's budget. In that connection, I specified having sent a March 18, 2020 letter to Governor Cuomo, to which legislative leaders were cc'd, and described it as part of a mountain of primary-source, documentary EVIDENCE establishing impeachable acts by the Governor – which is your charge – as well as by others, who have colluded with him.

Was this not sufficient to elicit a return call – or e-mail?

To further prompt your response, here's [CJA's webpage for the insertion of the immunity provision into the 2020 budget \(Part GGG of Budget Bill #S.7506-B/A.9506-B\)](#), where, scrolling to the bottom, you will find CJA's April 3, 2020 and April 6, 2020 FOIL requests and a link to CJA's webpage for the March 18, 2020 letter to the Governor and the EVIDENCE substantiating it.

I look forward to speaking with you, soon.

Thank you.
