Responding to your below e-mail, sent a short time ago, there is nothing “overly broad and vague” about my January 18th request for “all publicly-available records received by Temporary Senate President Stewart-Cousins and/or the Senate Judiciary Committee pertaining to the Senate’s ‘advice and consent’ of Hector LaSalle as Chief Judge of the Court of Appeals.”

Why don’t you start with:

- (1) the “publicly-available records received” from the Commission on Judicial Nomination and/or Governor Hochul, most importantly, the public portion of the questionnaire that Justice LaSalle was required to complete;
- (2) bar association letters and/or their reports pertaining to their review of Justice LaSalle’s qualifications;
- (3) written submissions by organizations and/or individuals in support and in opposition to Justice LaSalle’s nomination;
- (4) written requests to testify at the Senate Judiciary Committee “meeting” on Justice LaSalle’s confirmation – and written testimony, if any.

Thank you.
